ENGINEERING SUCCESS

**EXPERT COACHING FOR
ESE, GATE, PSU, AE/JE
EXAMS.**

About Us.

Learn. Excel. Achieve.

At Atul Academy, we empower engineering aspirants through expert-led coaching, conceptual clarity, and exam-focused preparation for ESE, GATE, IES, PSU, and AE/JE—ensuring success with structured guidance and real-world insight.

Guiding Your Engineering Journey to Success

Atul Academy was founded with a vision to guide aspirants with practical insights, structured learning, and personalized mentorship, helping them succeed in competitive engineering exams with confidence and clarity.

Expert Team

Our team comprises experienced educators and industry professionals dedicated to delivering high-quality coaching, personalized mentorship, and result-driven guidance for engineering aspirants.

Our Courses

01

ESE (Engineering Services Examination)

Complete coaching for Prelims (Paper 1 & 2) and Mains with comprehensive coverage of technical and non-technical subjects.

02

GATE (Graduate Aptitude Test in Engineering)

Concept-focused preparation with problem-solving techniques, mock tests, and doubt sessions for high scoring.

03

IES (Indian Engineering Services)

In-depth syllabus coverage with guidance on both technical papers and general studies for IES aspirants.

04

PSU Exams

Targeted preparation for various Public Sector Undertaking exams with updated syllabus and real exam patterns.

05

AE/JE (Assistant & Junior Engineer)

Specialized coaching for state and central-level AE/JE exams, focusing on core technical subjects and previous year trends.

Our Courses

06

ESE Paper 1 Course

Covers all 10 GS subjects including Project Management, ICT, Ethics, Mathematics, Environment, and Current Affairs.

07

Mechanical Engineering Course

Detailed coaching across all 16 subjects including Thermodynamics, Fluid Mechanics, Heat Transfer, RAC, Robotics, and more.

WHY ATUL ACADEMY IS THE BEST?

- Learn from Er. Atul Pandey, ESE AIR 47, with 20+ years of experience.
- Personalized doubt-solving and expert career guidance.
- Full coverage of ESE Paper 1 and Mechanical Engineering core subjects.
- Focused teaching with clear concepts and practical approach.
- Proven success in ESE, GATE, PSU, and AE/JE exams.
